

SAC NEWSLETTER

January 2024

HAPPY NEW YEAR!

Welcome to the latest SAC Newsletter!

2024 AGM

This is booked for Sunday 18th February from 2pm at Lansdown Hall, Stroud.

One Hundred Artists - our first 2024 exhibition

We hit 100 members in October 2023 and so to celebrate we are planning a BIG exhibition w/c 7th May 2024, featuring all 100 artists! **BE PREPARED FOR SOMETHING AMAZING!** The exhibition will be across at least two venues in Stroud - Lansdown Gallery and the George Room in the Sub Rooms.

New Events for 2024

Chris is starting to organise the first Stroud En Plein Air Event! We will keep you informed as we know more... Expect excellent art! Stroud's streets covered with artists... and best of all, PRIZES!

We also hope to be able to support Stroud's Street Art event in July.. again keep an eye out for further information.

Regular events during 2024

We are continuing some and are planning new regular events for 2024!

We hold regular Wednesday social meetings at Woodruff's Cafe - so if you see a bunch of artists at lunchtime, its the SAC!

We are even thinking about visiting a different local pub each month!

We are also going to start some virtual sessions for our less mobile members to connect to other artists and talk about their practise.

Our regular Sunday en plein air group (outdoor painters) will be out and about again, painting our beautiful local scenery, and we are hoping to become more active around sculpture and ceramics this year - we have SO many talented artists!

The SAC is a group of local artists, our aim is to support each other as artists, and to help provide/create opportunities for our members - if you are a local artist, think about joining us!
